Ernest Wesolowski:

Nice to hear that you ARE Able to listen to KWAT in Omaha. One thing I might mention is that if you would start sending these messages to me, Wayne Hunter you will get better Response. It might be interesting to note that I have a sister living in Omaha. Her husbands name is Allen Ohnstad. He works in the T-V & appliance Dept in ~~T~~he Sears store out on 72 & 75 in So. Omaha.
